PROFILE

Highly motivated and detail-oriented 3rd-year Computer Science Engineering student at K. Ramakrishnan College of Engineering with hands-on experience in frontend development and data analysis. Skilled at translating complex datasets into actionable insights and creating user-friendly web interfaces. Passionate about leveraging technology to solve real-world problems and eager to contribute to innovative projects in data analytics and software development.

WORK EXPERIENCE

Frontend Developer Intern – Alfido Tech JULY 20 – AUGUST 20, 2025

- Developed responsive web pages using HTML, CSS, and JavaScript.
- Collaborated with the design team to enhance UI/UX for client projects.
- Assisted in testing and debugging web applications to ensure smooth functionality.

UI/UX Intern – CoderScore JULY 2025 – SEPTEMBER 2025

- Designed interactive UI components and optimized front-end performance.
- Created wireframes and prototypes for web applications.
- Conducted user testing to improve design usability and engagement.

Certifications / Courses 2024 - 2025

- Accelerating Deep Learning with GPUs** – IBM, CognitiveClass.ai
- Gained hands-on experience in GPU optimization for deep learning models and deployment.
- Data Analytics Tools** – Neolysi Technologies Pvt Ltd
- Learned and practiced key industry tools like Power BI and Tableau.
- Developed a foundational understanding of data analytics concepts and real-world applications.
- Sparked interest in healthcare and data analysis.

EDUCATION

B.E. in Computer Science Engineering 2023-2027
CGPA- 7.5
K. Ramakrishnan College of Engineering, Trichy– 3rd Year]

12th – Biology & Mathematics
Kamala Niketan CBSE, 2022

10th – Montfort School CBSE, 2020
